20th April 2018

Dear Presenter;

**Mathematical and Statistical Methods for Actuarial Sciences and Finance (MAF 2018), Madrid,
April 4th – 6th 2018**

The guest editors and I are very pleased to invite you to submit your paper for consideration for a special issue of *The European Journal of Finance* consisting of work which was presented at the 8th Mathematical and Statistical Methods for Actuarial Sciences and Finance (MAF 2018) Conference held at the University Carlos III in Madrid from April 4th to 6th 2018. The guest editors for the special issue are Professors Martin Eling, Aurea Grané, Nicola Loperfido, Cira Perna and Marilena Sibillo.

With the ever increasing pressure on authors regularly to publish high quality work, the journal will follow an accelerated review process. Our aim is to complete the first round referee reports by 31st October and to have accepted papers available on-line on the journal's website by the end of February 2019. All papers will be double blind refereed in the usual way.

Authors should submit their work to via the journal's website:

<http://mc.manuscriptcentral.com/rejf>.

are reminded that submitted papers must comply with the format specified in the notes for authors on the European Journal of Finance website:

<http://www.tandf.co.uk/journals/authors/rejfauth.asp>,

and that there is a submission fee of £125.00. Submitted articles should be consistent with the aims and scope of the journal.

The opening date for the special issue is 1st July 2018. Please do not submit for the special issue before that date. The closing date for submissions is 27th August 2018. Please contact me if you need further information about the journal or about the special issue.

On behalf of the guest editors,

With best wishes,

Chris Adcock
